karran®
PRODUCT SPECIFICATION

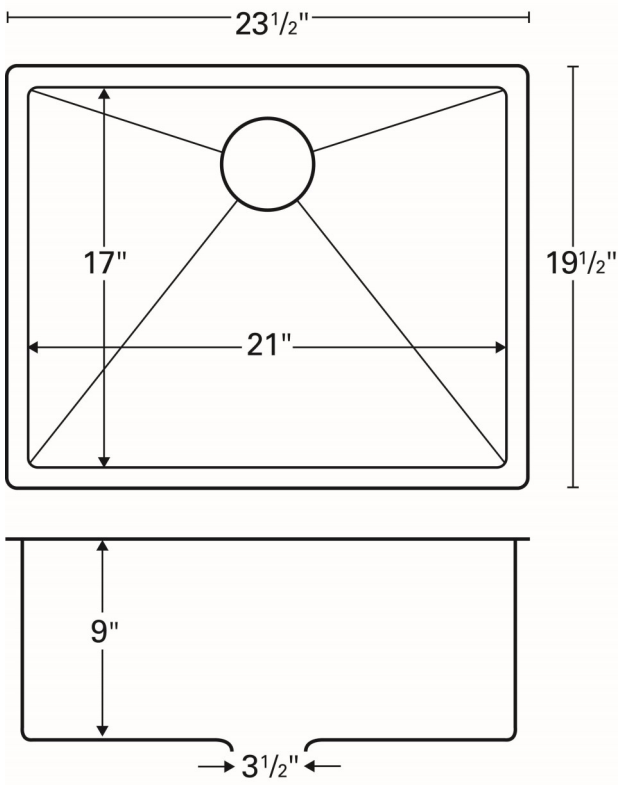

Stainless steel 23-1/2” x 19-1/2”
Seamless Undermount Sink

Model: E-520

Karran Edge Series stainless steel sinks are manufactured from durable 18 gauge stainless steel that makes them tough and resilient to even the toughest daily tasks. Each Edge sink has a patented resin matrix rim that allows it to be seamlessly integrated into all laminate and solid surface countertop materials. Seamless integration is the most hygienic way to install a sink into a counter-top in both residential and commercial applications.
